Data represents the most current statistics available at the time of publication. Current month data includes prior month(s) data if current month is not reported timely by the County. Prior period data is updated to include the most current information, including County reported changes/updates.

*Due to inconsistencies in the IHSS data between Legacy CMIPS and CMIPS II, data is published from November 2013 forward.

Any prior month or year reference to the time period from March 2013 through October 2013 is not reflected in the comparison columns.
